

SWING

design DEBONADEMEO STUDIO

SWING come l'altalena che è rievocata dalla struttura del divano sulla quale le sedute sembrano appese. SWING come il ritmo che si percepisce al primo sguardo vedendo l'alternarsi di pieni e vuoti, linee rette e curve, verticali e orizzontali. SWING come il ballo tipico degli anni 20 e 30 di cui sembra rivedere l'andamento fluttuante e il dinamismo.

SWING, as the curved and straight lines intersecting vertically and horizontally with the alternating solid and empty spaces that define its shape recall hanging gliders as well as the swinging and dynamic rhythm of the music from the 1920s and 1930s.
