

OUO

design SIMONE MICHELI

OUO è la trasposizione grafica di un uovo la cui forma compatta e totemica osservata dal retro rivela all'improvviso la sorpresa di una seduta che sembra come scolpita scavando nel monolite.

OUO is an egg turned into a chair. A striking oval design proposed in a chair whose compact and totemic form reveals a sudden and surprising place to sit that looks like it has been carved out of a monolith.
