design STORMO STUDIO

NEFELIBATA, un viandante tra le nuvole, libero dai limiti del mondo terreno. La sua essenza, catturata in questa collezione, si distacca dalle rigide convenzioni del concetto di divano, invitando a sognare e a perdersi nelle sue forme sinuose. NEFELIBATA si allunga e si curva, plasmando il proprio corso con la stessa leggerezza dei pensieri liberi di coloro che sognano ad occhi aperti.

NEFELIBATA is a traveller in the clouds, unfettered by the constraints of the earthly world. Its essence, captured in this series, breaks away from the rigid conventions of the sofa concept and invites you to dream in the flow of its sinuous forms. NEFELIBATA stretches and curves, shaping its own course as light and carefree as the thoughts of those who daydream.

## SEDUTA SEAT

Parola d'ordine: comfort.
