

BOMB

design SIMONE MICHELI

Il design iconico di BOMB si ispira a un oggetto di distruzione per suscitare un pensiero di pace proiettato alla vita. A BOMB è affidato un compito speciale: l'occasione per riflettere sull'eterno dramma della guerra, auspicando che sia la vita a vincere.

BOMB's iconic design was inspired by an instrument of destruction so as to raise awareness about peace for life. BOMB design plays a very special role: its seating function is just an opportunity to think over the eternal tragedy of war and wish for life to be stronger than war everywhere, whatever happens.
