

ROCHE

design DARIA ZINOVATNAYA

Come una pietra scolpita dal vento, ROCHE plana da Venere con le sue forme armoniose, morbide ed essenziali portando sul pianeta terra la bellezza impalpabile del pianeta più luminoso del sistema solare.

Like a stone carved by the wind, ROCHE glides down from Venus with its harmonious, soft and essential shapes, bringing to Earth the impalpable beauty of the brightest planet in the solar system.
