

SLY

design ITALO PERTICHINI

Curve piene e forma avvolgente sono i tratti principali delle sedute SLY, la collezione delle “finestre magiche” chiuse con corde colorate intrecciate, fessure che si aprono sul mondo esterno, ma che conservano discrezione e riservatezza spezzando con le loro curve il rigore degli schienali.

The full curves and wraparound form define the design of SLY, the collection with the “magic windows” – cracks that open to the outside world, but that retain discretion and privacy, tied with colored strings that break the severity of the backrest outline with their lacing.
