

TIGRAM

design ITALO PERTICHINI

TIGRAM incarna l'arte di giocare con le forme geometriche e trasformarle in divani e poltrone. Ispirato al concetto del Tangram, antico gioco cinese basato sulla componibilità di sette forme geometriche con le quali si possono costruire infiniti disegni e figure, TIGRAM non è solo un insieme articolato, ma anche un singolo pezzo scelto ad hoc per un corner sofisticato o un angolo chiacchiere esclusivo di un ambiente domestico frutto di ricerca e studio.

TIGRAM embodies the art of playing with geometrical shapes and turning them into sofas and chairs. Inspired by Tangram, the ancient Chinese game based on arranging seven geometrical shapes in combinations to form an endless variety of designs and figures, TIGRAM articulates in a variety of combined modules, but each module can also elegantly stand on its own to stylize a corner or to fashion a cozy and friendly parlor.
