

BOLL

design SIMONE MICHELI

BOLL è l'evoluzione naturale di un cilindro. Compatta e completamente tondeggiante rivela tutta la sua essenza al primo colpo d'occhio. Affascina per la sua semplicità e assolve la funzione di un pouf con il valore aggiunto di uno schienale aperto e avvolgente.

With a "cylindrical" design and a striking semicircular wrap-around backrest, BOLL reveals its full essence at first glance. It fascinates with its simplicity and fulfills the function of a pouf with the added value of an open, enveloping backrest.
