

LIEVITO

design DEBONADEMEO STUDIO

LIEVITO cresce. Si sovrappone, si aggiunge, si connette, cuscino su cuscino, cerniera dopo cerniera. Non è un divano, non è un pouf: è un volume morbido e caldo che si stende, si alza, si impila. Prende la forma di chi lo abita e del momento in cui viene usato. Ogni configurazione è temporanea. La prossima sarà diversa.

LIEVITO grows. It layers, adds, connects — cushion upon cushion, zip after zip. It is not a sofa, not a pouf: it is a soft, warm volume that stretches out, rises, stacks up. It takes the shape of whoever inhabits it and the moment in which it is used. Every configuration is temporary. The next one will be different.
