

LITTA

design DEBONADEMEO STUDIO

LITTA ridisegna la banquette con la stessa naturalezza con cui un caffè storico occupa il suo angolo di città. Forme stondate e modulari si adattano allo spazio senza forzarlo, accogliendo molte persone con discrezione. Una presenza silenziosa che appartiene al luogo e che sa restare, nel tempo e nei ricordi di chi vi si siede.

LITTA reimagines the banquette with the same ease with which a historic café claims its corner of the city. Rounded, modular forms that settle into the space, welcoming many people with discretion. A quiet presence that belongs to the place — and that endures, in time and in the memory of those who sit there.
