

METAGRAMMA

design DEBONADEMEO STUDIO

È possibile anagrammare una collezione di sedute come si fa con le parole? L'intuizione progettuale di METAGRAMMA nasce dal desiderio di giocare con le forme proprio come si fa con le parole, dando vita a infinite configurazioni personalizzate composte da una serie di sedute imbottite modulari, di cui ogni elemento può vivere autonomamente o intrecciarsi in composizioni dinamiche, trasformando lo spazio con libertà e versatilità.

Can a collection of seating elements be rearranged like words in an anagram? The design concept of METAGRAMMA stems from the desire to play with shapes just as one does with words, creating endless personalized configurations composed of a series of modular upholstered seats. Each element can exist independently or be combined into dynamic compositions, transforming the space with freedom and versatility.
