

# PISCINE

design STUDIOCHARLIE

La famiglia di pouf PISCINE è una collezione modulare e componibile di cubi dalle geometrie essenziali, caratterizzati da incisioni sulla superficie superiore, che oltre a svolgere una funzione estetica, sono progettate per accogliere chi si siede in modo naturale e confortevole. Gli elementi grafici distinguono ogni modulo, rendendolo unico e riconoscibile, creando dinamismo visivo nelle isole composte da più elementi.

The PISCINE pouf collection is a modular and customizable series of cubic seats with essential geometries. Their upper surface features sculpted indentations that, beyond their aesthetic function, are designed to naturally accommodate the body, offering a comfortable and intuitive seating experience. Each module is distinguished by unique graphic elements, enhancing its recognizability and adding visual dynamism to compositions made up of multiple elements.
