

SIR-PENT

design ANDREA STRAMIGIOLI

SIR-PENT si allunga e si riduce, si snoda e si dirama: nulla è un ostacolo per SIR-PENT che, partendo da un set base di sette moduli e un elemento jolly che fluidifica gli snodi, offre infinite possibilità di creare forme lineari, composte o articolate, in un gioco divertente e stimolante. SIR-PENT è il divano per gli ambienti che necessitano flessibilità.

SIR-PENT stretches and shrinks, winds and branches out: nothing is an obstacle for SIR-PENT, a large modular seating system that starts from a basic set of seven modules plus an all-rounder element that facilitates the flow of any combination, be it linear or articulated into soft islands. SIR-PENT can also turn into a fun stimulating game, and it's perfect wherever flexibility is a key.
